Hey Joanne,

Thanks for your hospitality in Newhalen, I really appreciate all of the work that you and your staff put into the meetings that we had in your community. I hope I will get to come back one of these days.

I know Ron is out fishing, so I am wondering if you could help us out with the picture below?

Thanks - Tami

Hi Ron,

Thank you for the tour and meeting in Newhalen a couple weeks ago. It was great for our Sr Managers to participate and learn from the community. I am writing a report of our trip to post on our web page and I want to include a few pictures. One of them is the picture pasted below. I will need to have the boy's parent sign a form allowing us to use the picture. If you know their email address and/or phone number can you send them to me. Or I could send the form (I don't have it yet) to you. Thanks Ron. If you want to talk my new number is 907-271-1217. I am in Anchorage from now through July (at least) working in the operations office. Come visit if you make it to the big city!
